

QUALITY POLICY

Kiklos Architects (Kiklos Consultancy LLC), specializing in Architectural and Interior Design, is committed to quality as an integral component of our product and service offering.

Our fundamental intention is to satisfy our clients, by fulfilling and surpassing their expectations, whilst also promoting and fostering the Sustainable Economic Development of our business, our community and all our other stakeholders through:

- conformance to the requirements set by our organization, customers and other interested parties;
- compliance with applicable statutory and regulatory requirements;
- implementation of policies and practices that foster the sustainable economic development of our business along with our stakeholders;
- complete customer satisfaction; and
- achievement of continual improvement by applying a quality management system that includes establishment of objectives and goals.

All our employees and associates are required to comply at all times with the regulations and our company policies and practices relevant to their activities.

The Management of Kiklos Architects (Kiklos Consultancy LLC) assures that this Policy will be regularly reviewed for its continual adaptation throughout the organization, to our clients and interested parties, using channels of communication considered to be the most efficient in this respect.
